SUBJECT INDEX

Accommodation 689
Acuity, visual
  dynamic 3, 677
  static 677
Aiding, adaptive 431
Alarms 445
Alcohol, pilot performance 293
Algorithms
  computerized page layout 347
  computerized page splitting 347
Analysis, protocol 381
Anthropometry 747
Artificial Intelligence 381, 395, 415, 431
Assembly conceptualization 269
Attention 15, 35, 517, 567, 583, 645, 703
Automatic
  page layout 347
  page splitting 347
Automaticity 35, 567, 583, 689
Automotive human factors 71
Aviation
  alcohol effects 293
  head-up displays 689
  simulation 153, 495
Behavior
  driver 219
  straight lane-keeping 219
Biomechanics 83, 319, 339, 733
Body orientation cue 713
Brightness matching 143
Chair design 237
Chinese
  display-control stereotypes 367
  information displays 461
Codes 599
Cognitive engineering 415
Color
  display data dimensions 127
  dynamic visual acuity 3
Computer
  aids 431
  based instruction 751
  display 25, 293, 461
  input device 231
  layout system 347
  text presentation 25, 285, 461, 473
Computing 181
Conceptualization 269
Connectionist/control architecture 539
Connectors, electrical 733
Consumer products warnings 507
Contraceptives 51
Contrast sensitivity 677
Control of displacement 663
Counting 181
CRT displays 143
Dark focus 689
Data display 127
Decision making 15, 415
Depth cues, visual 487
Design
  algorithms 347
  experimental 253
  expert systems 359
  faucet handles 339
  instructional 269
  simulator 201
  warning labels 507
  workspace 237
Detection, visual 153
Differential brightness cue 713
Digitizer puck 231
Display
  auditory 599
  Chinese stereotypes 367
  Chinese information 461
  computer 25, 293, 473
  control relationships 367
  CRT 143
  data dimensions 127
  formats 171
  head-up 689
  imaging 487
  integration 15
  moving text 25, 293
  operator performance 201

perspective 163
proximity 15
reader controlled text 473
serial format 171
simultaneous format 171
speech 445
two dimensional 163
visual 171, 445, 599, 663
Driver
behavior 219
errors 71
reaction time 71
Dual-task
performance 517, 539, 599, 633, 645
Dynamic visual acuity 3
Errors
driver 71
pedal 71
Experimental design 253
Expert systems
acceptance 395
design 395
decision support 415
expertise 381
human factors 395
human problem solving 415
intelligent interfaces 431
knowledge elicitation 381
knowledge engineering 381
protocol analysis 381
scaling 381
Expertise 381
Eye movements 3
Fatigue, shiftwork 335
Faucet handles 339
First digit 747
Format, display 17
Generalizability 253
Guidance, vehicle 663
Hand
grip 733
preference 51
steadiness 51
Handgun weight 51
Handles, faucet 339
Handling, vehicle 219
Head-up displays 689
Hemispheric specialization 633
Human-computer
expert systems 381, 395, 415, 431
interaction 231, 415
interface 171, 431
Images, virtual 689
Imaging displays 487
Individual differences 143
Information integration 15
Information processing,
human 539, 567, 583, 599, 617, 633, 645
Information transfer rate 171
Instructional
design 269
systems 347
Interface
human-computer 171
intelligent 431
Job performance aids 347, 751
Judgment 15
Knowledge
elicitation 381
engineering 381
Lane-keeping 219
Layout, text-graphic 347
Learning
procedural 269
spatial rules application 35
Magnification 487
Maintenance training 751
Manual materials handling 319
Materials handling 319
Memory 583, 633
Menstrual phases 51
Methodology 253
Modalities 599
Model
biomechanics 319
human performance 431
manual materials handling 319
multiattribute 293
multiple resources 95, 111, 599, 633, 645
predictive pull strength 83

regression 319
workload 539
Monitoring 445
Motion system delays 201
Moving text readability 25, 293
Multiple resources theory 95, 111, 599, 633, 645
Multitask performance 95, 111, 431, 445
Notation 181
Number systems 181
Object integrality 15
Optometer, polarized vernier 689
Oral contraceptives 51
Page layout, automated 347
Pedal errors 71
Perception
vertical 713
visual 663
Performance
alcohol 293
dual-task 517, 539, 633, 645
fatigue 339
hand steadiness 51
measurement 495
models 431, 599
multiple-task 431
operator 163
pilot 293
shiftwork 305
trade-offs 633
Perspective display 163
Photopic viewing 3
Posture, seating 237
Practice, dual-task performance 539
Problem solving 415
Protocol analysis 381
Puck, digitizer 231
Reaction time, driver 71
Readability
computer display 25
moving text 25, 293
RSVP 473
Reading
computerized presentation 473
moving text 25, 293
pacing 473
regressions 473
Recognition, aspect 153
Representation, numbers 181
Resource model 95
Safety, shoulder belt use 359
Scaling, multidimensional 95
Scotopic viewing 3
Seating 237
Sex differences 51
